SONG OF THE MONTH:

RESPECT ELDERS

Hello hello! dear kids Will you make us all proud?

I am here with a few tips,

To help you be so good! Say please, with ease,

Say sorry when you are wrong, Often say thank you too,

With a tone as sweet as a song.

Greet your mother, Greet your father, Your grandmother, And grandfather

Aunts and uncles, And your teachers, Sisters, brothers And all elders.

Not only with little kids,

But be gentle with all,

Have a smile on your lips,

Like a beautiful doll.

Story of the month

A DOG & A PUP

A dog and her pups lived in a farm, where there was a well. The mother dog told the pups, to not to go near the well or play around it. One of the pups wondered why they shouldn't go to the well and decided to explore it. He went to the well. Climbed up the wall and peeked inside.

In there, he saw his reflection and thought it was another dog. The pup saw that the other dog in the well (his reflection) was doing whatever he was doing, and got angry for imitating him. He decided to fight with the dog and jumped into the well, only to find no dog there. He barked and barked and swam until the farmer came and rescued him. The pup had learned his lesson.
